

Covariance and precision, 48h

Epiblast covariance

Epiblast precision

Exiting naïve pluripotency covariance

Exiting naïve pluripotency precision

Naïve pluripotency covariance

Naïve pluripotency precision

Covariance and precision, 72h

Ectopic pluripotency covariance

Ectopic pluripotency precision

Naïve pluripotency covariance

Naïve pluripotency precision

Primitive streak covariance

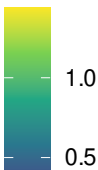

Primitive streak precision

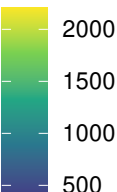

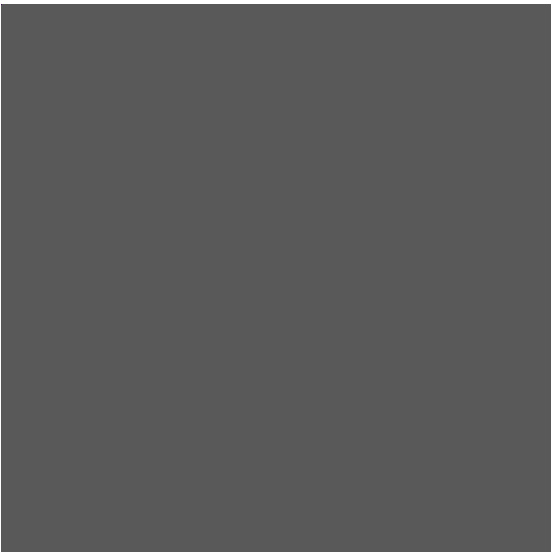

Covariance and precision, 96h

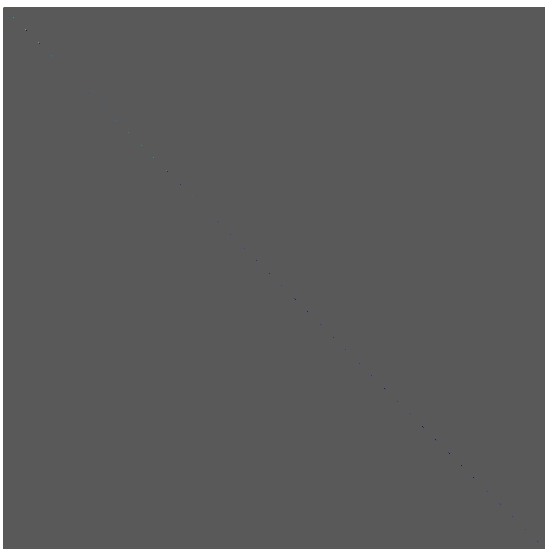

Caudal mesoderm covariance

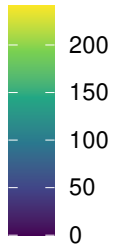

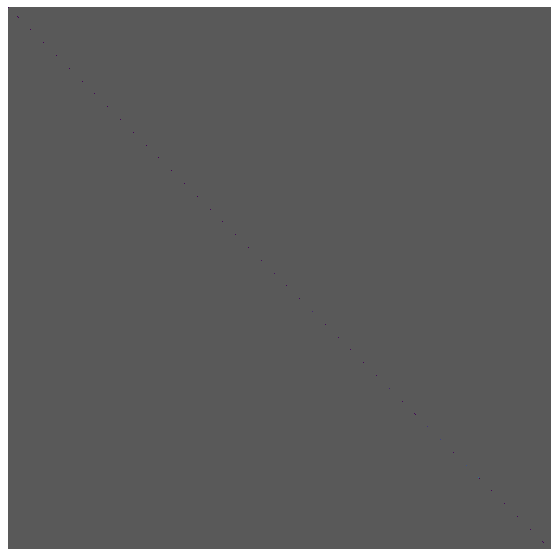

Caudal mesoderm precision

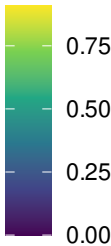

Ectopic pluripotency covariance

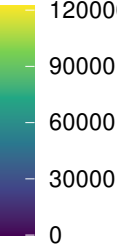

Ectopic pluripotency precision

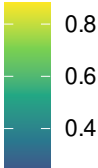

Gut covariance

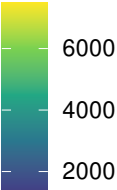

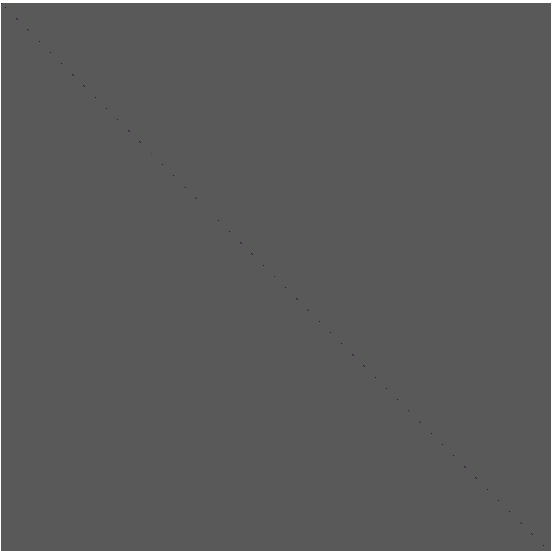

Gut precision

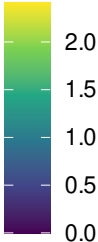

Pre-somitic mesoderm covariance

Pre-somitic mesoderm precision

Somite differentiation front covariance

Somite differentiation front precision
